M2 Parisian Master of Research in Computer Sciences

Master's degree

Specialisation Computer Science

Enrolment type

Full-time academic programmes

Language(s) of instruction

English French

The Parisian Master of Research in Computer Science is a research-oriented master's program in fundamental computer science, run jointly by several schools and universities. Its purpose is to train future scientists through intensive exposure to contemporary research in the foundations of computer science.

2 teaching terms, 1 internship term

Période(s) de candidature

Inception Platform

From 15/03/2026 to 30/06/2026

Supporting documents

Compulsory supporting documents

Sheet of choice of platform completed to download on the site.

Le document est à télécharger en bas de page

Motivation letter.

All transcripts of the years / semesters validated since the high school diploma at the date of application.

Curriculum Vitae.

Additional supporting documents

VAP file (obligatory for all persons requesting a valuation of the assets to enter the diploma).

Document indicating the list of local M2 choices available here : <https://urlz.fr/i3Lo>.

Supporting documents :

- Residence permit stating the country of residence of the first country
- Or receipt of request stating the country of first asylum
- Or document from the UNHCR granting refugee status
- Or receipt of refugee status request delivered in France
- Or residence permit stating the refugee status delivered in France
- Or document stating subsidiary protection in France or abroad
- Or document stating temporary protection in France or abroad.
