Présentation

## Skills

Know how to perform a complex financial analysis.

## Objectives

This programme aims to provide students with the knowledge in strategy corporate finance and financial markets they need to integrate easily into companies, whether they are firms operating in the financial world, or in the strategic or financial management departments of any type of company. The programme also aims to enable students to get to know and join companies specialised in finance (investment funds, traders, venture capital companies), particularly in the positions of financial analyst, middle-officer or risk manager.
