Présentation

Objectives

The International Strategy and Management programme offers graduates a high-level specialised programme in strategy, management, governance, economic and strategic intelligence, and human resources, in their international dimension. This Master's degree prepares students for a broad range of managerial jobs, mainly in companies with international representations or activities. The Master's degree "International Strategy and Management" sets scientific and technical programme objectives in several complementary fields of management sciences.

Admission

Capacity

Available Places

25
