M1 Economie, Organisations et Société (EOS)

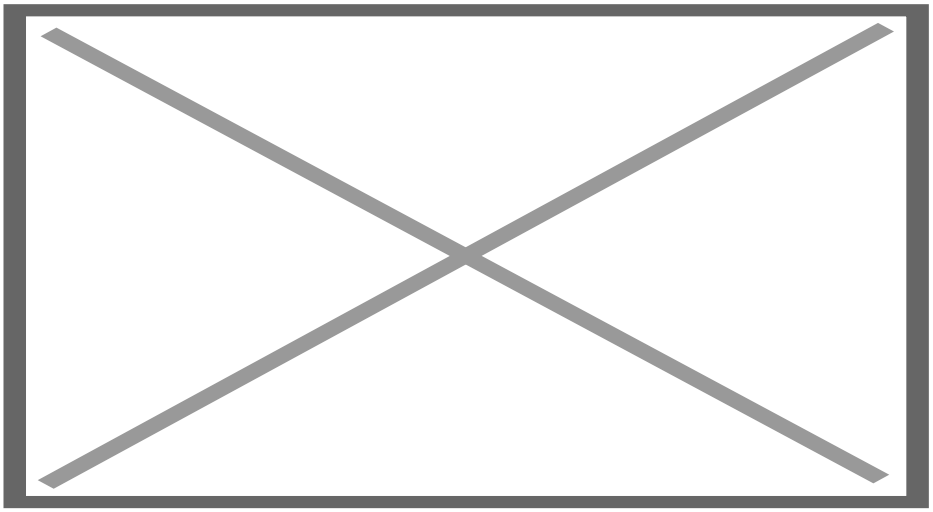

Master's degree
Specialisation Economie politique et institutions
Enrolment type
Formation initiale
Language(s) of instruction
French

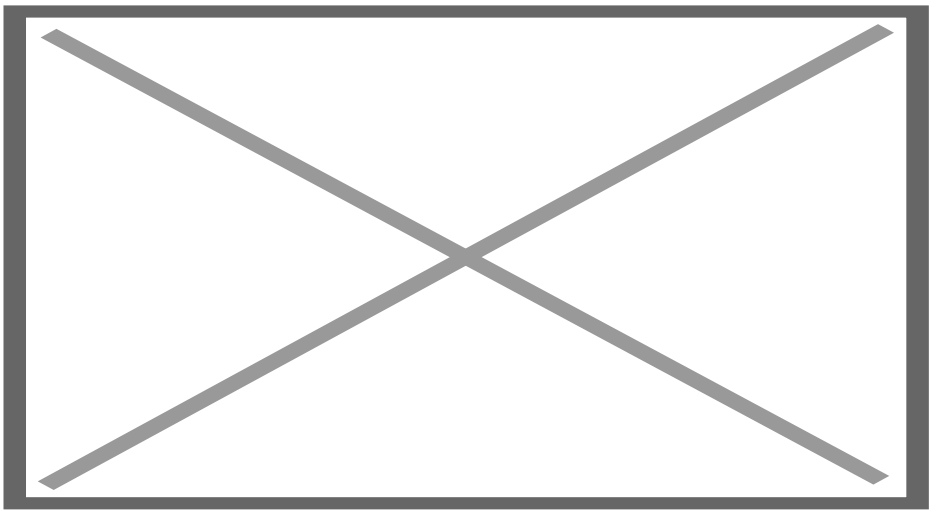

The Master 1 program in « Economie, organisations et société » offers students in-depth training in economics, with a strong focus on other disciplines such as sociology, history, etc., in order to analyze the institutional dimensions of economics at different levels.

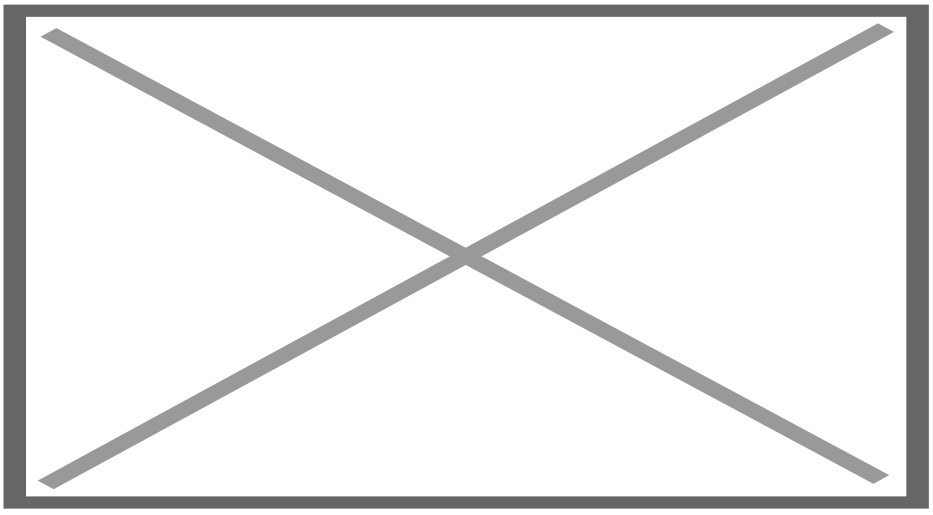

This program combines theoretical courses, quantitative and qualitative methodologies, thematic courses, and the completion of a research thesis.

Présentation

Skills

Produce and mobilize highly specialized knowledge on economic, social, and territorial dynamics.

Master and mobilize economic analysis tools.

Design and conduct a research project.

Objectives

The Master 1 in « Economie, organisations et société » aims to prepare students for careers involving the analysis of the institutional dimensions of the economy. This master's program offers a general overview of institutionalist approaches in economics and social sciences. It provides students with a mastery of the concepts, tools, and methods of analysis and research necessary to understand the challenges of analyzing institutions and organizations using several disciplinary approaches, at different levels of analysis, in various contexts, and on a range of topics.

Débouchés

Career prospects

After a Master's + PhD: researcher or lecturer
After a Master’s degree: Research analyst

Further Study Opportunities

Master’s in Economics
Master of Sociology
Master’s in Political Science
In particular, this track prepares students for applied research activities, usually undertaken after a PhD, whether in academia or in R&D.
2nd year Master’s
