M2 Formation à l'Enseignement Supérieur en Génie Civil (FESup)

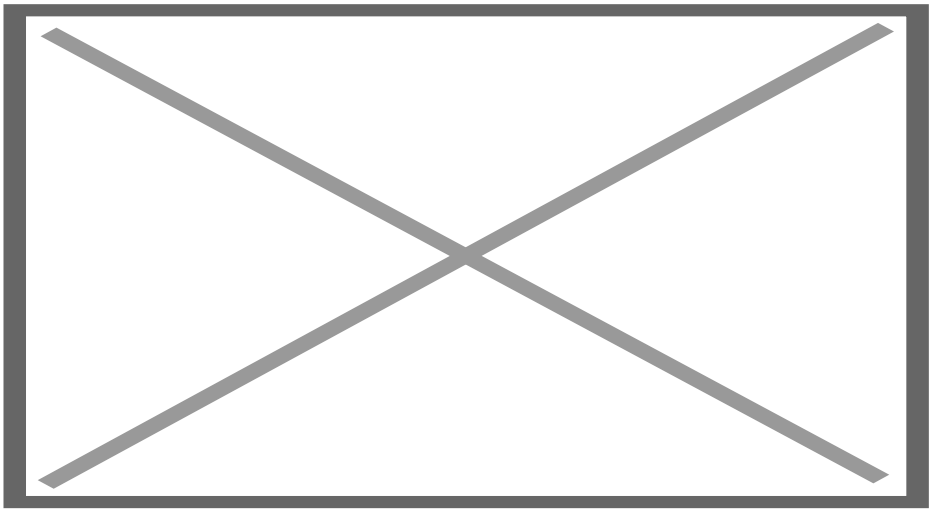

Master's degree
Specialisation Civil Engineering
Enrolment type
Formation initiale
Formation continue
Language(s) of instruction
French

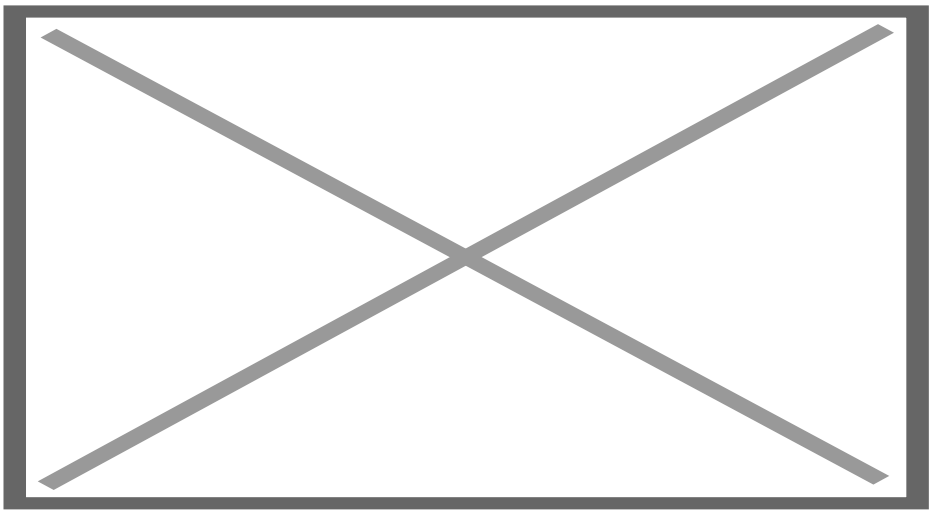

The Master's program "Formation à l'enseignement supérieur" (M2FESup), offered by the Department of Civil and Environmental Engineering, is a program dedicated to teaching careers in civil engineering.

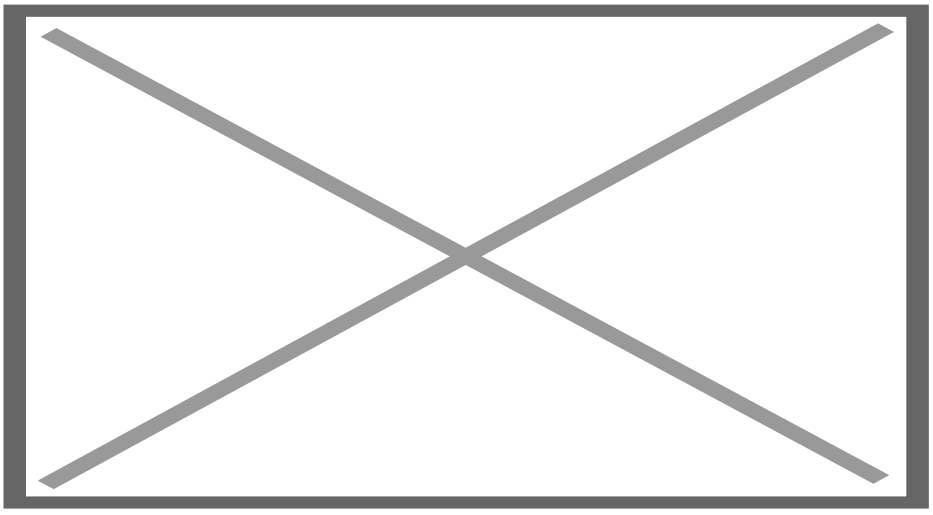

It enables students to **develop and apply the skills required to take responsibility for the majority of higher education teaching** in fields related to the various areas of construction, while maintaining close interaction with the professions of engineering and research & development.

Présentation

Objectives

To prepare students for careers in higher education teaching, and, for those who wish, to sit the competitive examination for the *Agrégation* SII_IC

Débouchés

Further Study Opportunities

R&D researcher or data modelling and analysis expert in leading-edge companies or laboratories.
Associate professor in secondary schools and colleges
Associate professor in the 2-year preparatory course for a competitive exam, or at a university or a scientific institute

Calendar

Start of programme (indicative date)
01/09/2026
End of programme (indicative date)
01/07/2027
Admission

Capacity

Available Places

15

Target Audience and Entry Requirements

Master 1 Génie civil

Période(s) de candidature

Inception Platform

From 15/01/2026 to 15/06/2026

Supporting documents

Compulsory supporting documents

Rank of previous year and size of the promotion.

Motivation letter.

All transcripts of the years / semesters validated since the high school diploma at the date of application.

Certificate of French (compulsory for non-French speakers).

Curriculum Vitae.

Detailed description and hourly volume of courses taken since the beginning of the university program.

Additional supporting documents

VAP file (obligatory for all persons requesting a valuation of the assets to enter the diploma).

Recommendation letters.

Document indicating the list of local M2 choices available here : https://urlz.fr/i3Lo.

Supporting documents :
- Residence permit stating the country of residence of the first country
- Or receipt of request stating the country of first asylum
- Or document from the UNHCR granting refugee status
- Or receipt of refugee status request delivered in France
- Or residence permit stating the refugee status delivered in France
- Or document stating subsidiary protection in France or abroad
- Or document stating temporary protection in France or abroad.
