M2 Master FESup is a graduate teacher training program in English studies and ESP

Master's degree

Specialisation Foreign languages, literatures and cultures

Enrolment type

Full-time academic programmes

Language(s) of instruction

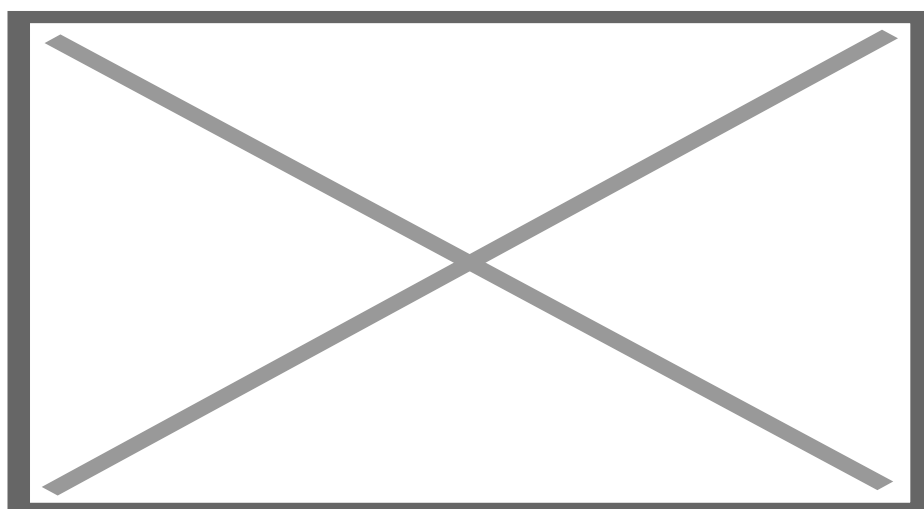

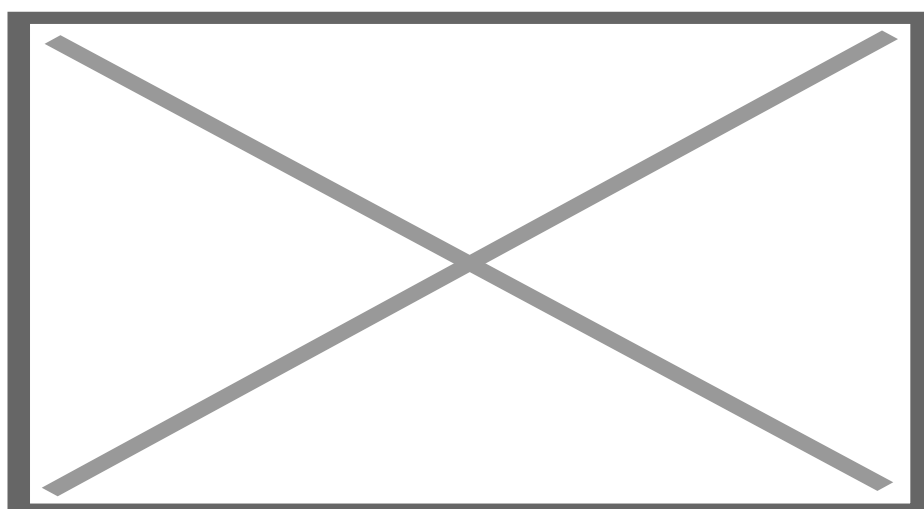

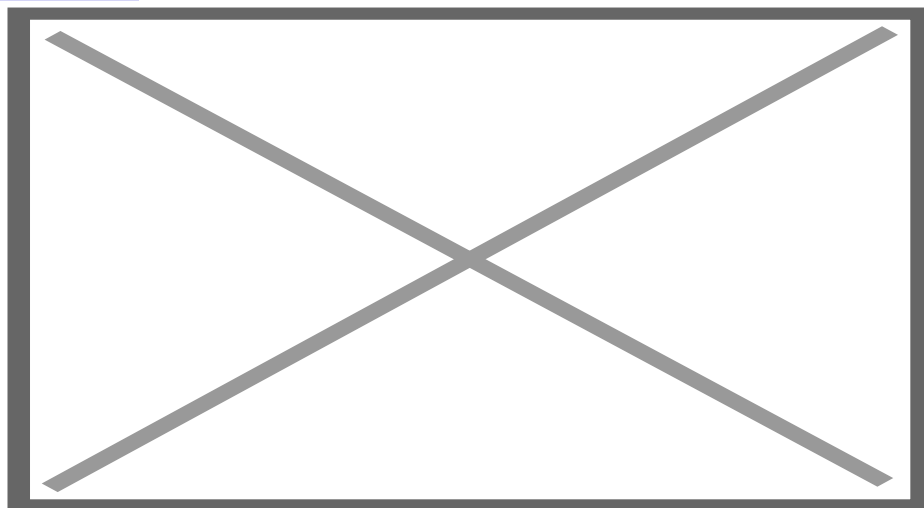

English French

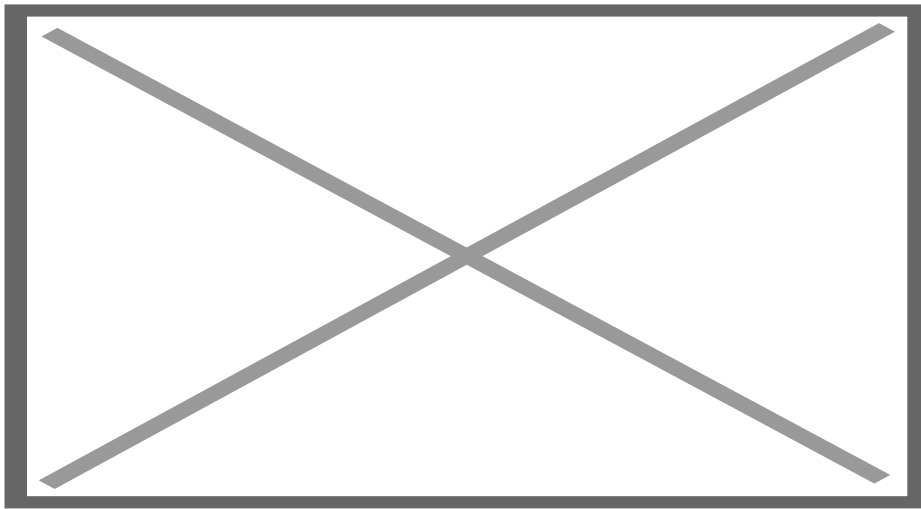

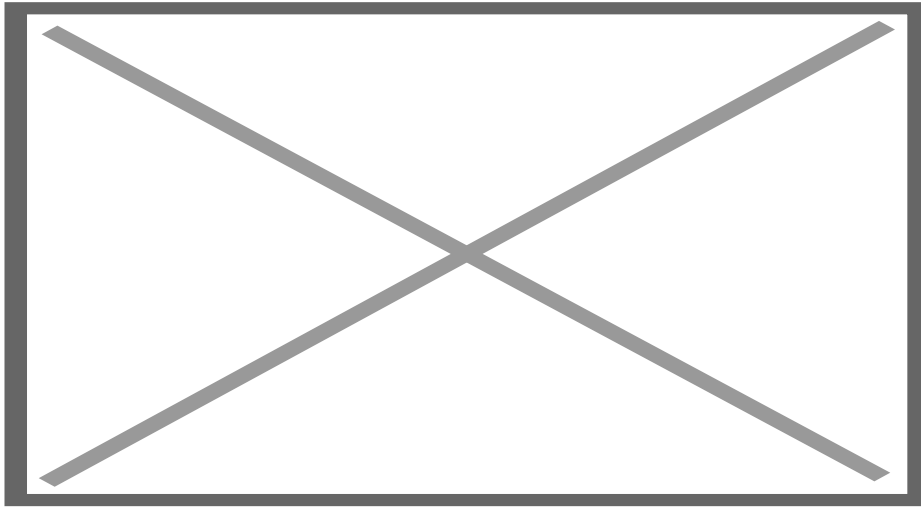

M2 FESup is a highly selective graduate program preparing students to take the "agrégation externe d'anglais," a national competitive examination to become a teacher in English studies administered by the French Ministère de l'éducation nationale. It also includes training in instructional design for the *Lansad* sector. Being perfectly fluent in both French & English is a requirement.

The year is divided into two parts: * 20 weeks of courses and written tasks before the writing exams; * 8 weeks of classes and oral tasks before the oral exams.

Présentation

Skills

English specialists entering the 2nd year Master's FESup must have the competencies traditionally developed in Anglophone studies: * mastery of written and spoken English; * in-depth competencies in English/French and French/English literary translation; * in-depth competencies in linguistics and phonology; * in-depth knowledge of English-speaking civilisations; * capacity to analyse major literary texts from the English-speaking world.

Objectives

Main disciplinary objectives of the curriculum: * Be able to translate complex literary texts from English to French and from French to English in a limited time and without a dictionary; * Have a thorough command of English grammar, including its phonetic and phonological aspects, and be familiar with its various theoretical approaches; * Develop in-depth literary analysis competencies in major historical and contemporary works from the English-speaking world; * Deepen knowledge of the various civilisations in the English-speaking world; * Deepen knowledge of the didactics of English of your Major; * Develop competencies in pedagogical engineering in the Lansad sector (languages for specialists in other disciplines). The cross-disciplinary objectives of the curriculum: * Ability to structure reasoning and apply in-depth knowledge to the analysis of texts and discourses produced in the English-speaking world; * Have a perfect command of oral and written expression in English and French; * Fluency in teaching techniques specific to the Lansad sector.

Débouchés

Further Study Opportunities

Associate professor in the 2-year preparatory course for a competitive exam, or at a university or a scientific institute
Associate professor in secondary schools and colleges
