Présentation

Skills

Interpret, discuss and communicate scientific results in writing and orally.

Objectives

The Master Life Sciences and Health

- International Track Infectiology: Biology of infectious diseases
- is a 2-year Master's program for English-speaking students, fully hosted at University of Health Sciences (Phnom Penh, Cambodia).The aim of the Master’s programme is to provide a solid and broad-based foundation in prominent areas in Life Sciences and Health, as well as a high level of skills in Infectiology. The teaching team includes specialists from reputable international universities and research institutes. Coupled with an intensive internship period in top level research labs (Institut Pasteur, Institut Pasteur in Cambodia, Université Paris-Saclay, University of Health Sciences, etc…), students will obtain both theoretical and practical experience in Infectiology.
