Présentation

Objectives

INFORMATION: The Master's track Education and Teaching (M2E) is a two-year course specifically for the teaching professions (in schools or the 2nd level) for graduates of the competitive exams for teacher recruitment held at the end of the undergraduate degree. Models for the M2E masters courses due to open in September 2026 are currently being drawn up and will be posted online as soon as possible. Graduates of competitive exams for teaching (CRPE, CAPES and CAPEPS) with a bac plus 3 are automatically assigned to either 1st year Master's, or 2nd year Master's M2E, depending on their previous course. They do not apply on the monmaster platform. Places in certain 1st year Master's M2E courses are offered to individuals who do not pass the competitive exam. These courses will be open to applications on the monmaster platform during the complementary phase.
