 - By collecting and transmitting feedback from students.
 - By participating to the decision making process.
 - At doctoral school events.
- Support and give advice to PhD students.

What do we do ?

- Represent the STIC student community.
- Support and give advice to PhD students.
 - By helping you navigate your PhD process.
 - By providing information about the doctoral school, your pole, your lab, your university.
 - By pointing you to the useful instances.
 - By discussing your issues with you.

Get involved!

- Five representatives are elected (at least 1 per pole).
- Candidacies are collected in January.
- The election is held online.
- Results are announced in February.
- You will be informed at each step by mail.
- Contact us for more information.

Do not hesitate to candidate !

Words of advice: Training

- Summer schools!
 - Usually 20-30 hours
 - Possible financial participation of the doctoral school.
- Follow a master course!
 - You can ask to skip the exams.
- Get involved in vulgarization, learn a new language, train in pedagogy...
 - Check out the “catalogue” section on ADUM.
- Take the habit of checking if something counts as training hours.

Words of advice: Miscellaneous

- ADUM :
 - The PhD inscription process should be coming to an end on the 30th (except particular cases)
 - Your school attendance certificate can be printed from ADUM.
- In case of Covid...
 - For now, classes are in person.
 - Conferences are getting back to normal.
 - **Do not stay isolated.**
 - Communicate your issues (even small ones).

Words of advice: Union of PhD Students

- An union for PhD students has been created in 2022 : Colldoc
 - Goals : defend PhD students rights and working conditions
 - Website : <https://colldoc.fr>
 - Get involved ! An union does what workers do !
