PhD representatives

And where to find them.
Who are we?

Pôle A : Florian MARONNAT
         Dora NOVAK

Pôle B : Nilo SCHWENCKE
         Yanick TCHENKO
What do we do?

- Represent the STIC student community.
  - At the pole, doctoral school and university levels.
  - By collecting and transmitting feedback from students.
  - By participating to the decision-making process.
  - At doctoral school events.
- Support and give advice to PhD students.
What do we do?

- Represent the STIC student community.
- **Support and give advice to PhD students.**
  - By helping you navigate your PhD process.
  - By providing information about the doctoral school, your pole, your lab, your university.
  - By pointing you to the useful instances.
  - By discussing your issues with you.

Words of advice: Training

- **Summer schools!**
  - Usually 20-30 hours
  - Possible financial participation of the doctoral school.

- **Follow a master course!**
  - No exam needed to validate points.

- **Get involved in vulgarization, learn a new language, train in pedagogy…**
  - Check out the “catalogue” section on ADUM.

- **Take the habit of checking if something counts as training hours.**
