Directions pour se rendre à Evry.

There is several way to go to Evry.

- either you chose the bus organized for the JED when you registered. Then you will be dropped just in front of the building in which the JED will take place.

- or you chose to come by the RER. Take the RER D line until Evry-Courcouronnes (be carfull to not take a train going to Evry-val de Seine, this stop is on the other side of the city). Arrived in Evry-Courcouronnes go out the main exit of the station and cross the boulevard in front of you. Go around the first building (#1 on the map) to arrive to the Maupertuis building (#2 on the map).

- or you decide to come by car. A couple of parking were reserved in front of the Ile-France Building (#1 on the map). Arrived in front of the gate (at the corner of Bvd F. Mitterrand and rue du père A Jarlan), call using the interphone and tell the person that you are going to the JED. If there is not place left in the university parking lot, you will have to find a standard place in the street around the building. The earlier you arrive the easier it will be.
