Advanced Students

Fulbright Doctoral Grants to France: Université Paris-Saclay

Students enrolled in a doctoral program may apply to pursue research at Université Paris-Saclay

ELIGIBLE FIELDS	Up to three awards are offered to students enrolled in a doctoral program in the United States to pursue research for their thesis at Université Paris-Saclay. Candidates may carry out research projects in any of the disciplines represented at Université Paris-Saclay.
NUMBER OF AWARDS	3
LENGTH OF AWARDS	10 months each, from September 1, 2021 to June 30, 2022
BENEFITS (MAINTENANCE AND TRAVEL)	€1600 per month and a full tuition waiver, as well as a €1,200 travel allowance
HOW TO APPLY	<p>Interested candidates must apply to the Fulbright Student Program through the International Institute of Education (IIE) (https://us.fulbrightonline.org/) and select Université Paris-Saclay Doctoral Research Award from the Award Name drop-down menu.</p> <p>It is the applicant's responsibility to secure affiliation with an institution or research unit attached to Université Paris-Saclay. A letter of affiliation should be submitted with the application.</p>
DEADLINE	October 13, 2020
ABOUT UNIVERSITE PARIS-SACLAY	Université Paris-Saclay brings together ten constituent faculties and institutes (5 faculties, 3 University Institutes of Technology and a University Engineering School and an Observatory of the Sciences of the Universe), four component-institutions (AgroParisTech, CentraleSupélec, Institut d'Optique Graduate School, ENS Paris-Saclay), a recognized non-profit research organization (IHES), two member-associated universities (Université de Versailles Saint-Quentin-en-Yvelines and Université d'Evry Val d'Essonne), and laboratories shared with major national research organizations (CEA, CNRS, Inrae, Inria, Inserm, and Onera). It offers a complete and varied range of training courses from undergraduate degrees to PhDs, recognized for their quality thanks to the reputation and commitment of its teaching staff.
FRENCH LANGUAGE PROFICIENCY	French language proficiency is recommended, commensurate with the requirements of the project. In the Fulbright online application, applicants should include the language Self-Evaluation and a Foreign Language Evaluation by a professional language instructor in relation to their language proficiency.
