You have the same referent person during 3 years
At the time of your registration or re-registration to discuss about your thesis and sign the authorization to (re-)register.

NB: the registration process is entirely online EXCEPT for the interview with your referent person.

At the moment of your defense:
- ~3 months before to validate the chosen referees and the jury members.
- Before your thesis: to get the authorization of defending your thesis.

In case of any trouble/problem in the course of your thesis.

NB: “comité de suivi” in ADUM: just put the 4 directorate members names.
