You have the same referent person during 3 years

referent person : what for?

At the time of your registration or re-registration to discuss about your thesis and sign the authorization to (re-)register.

NB : the registration process is entirely online EXCEPT for the interview with your referent person.

At the moment of your defense :

- ~3 months before to validate the chosen referees and the jury members.
- Before your thesis : to get the authorization of defending your thesis.

In case of any trouble/problem in the course of your thesis.

NB : “comité de suivi” in ADUM : just put the 4 directorate members names.

Before your defense, your referent gives you the document to be given to the president of your jury.

The jury will then decide if your thesis deserves an award and sends back the filled document to the PHENIICS directorate.

The PHENIICS directorate members then discuss all the candidates ... and decide.

DEMANDE D'AVIS AU JURY SUR L'ELIGIBILITE DE LA THESE A UN PRIX DE THESE DE L'ECOLE DOCTORALE

L'Ecole Doctorale a décidé d'attribuer un prix de thèse qui pourra récompenser au maximum 10 % des doctorants ayant soutenu chaque année. Ce prix sera attribué une fois par an par le conseil de l'ED PHENIICS. Le présent avis donné par le jury sera un élément d'appréciation important. Si vous décidez de soutenir un candidat éligible pour ce prix de thèse de l'ED PHENIICS, il est essentiel que vous fassiez ressortir clairement, la contribution personnelle du jeune docteur à l'obtention de résultats nouveaux dans le domaine scientifique et l'importance de ces résultats.

A défaut de réponse dans les 15 jours suivant la soutenance, l'ED PHENIICS considère que la réponse est négative.
