# Up for a journey? Join ours!

Climate-KIC is supported by the  
EIT, a body of the European Union

## Who are we?

Climate-KIC is the European network for climate change innovation, consisting of dynamic companies, the best academic institutions and the public sector. Climate-KIC integrates education, entrepreneurship and innovation resulting in cross-disciplinary transformation of knowledge and ideas into economically viable products or services that help to adapt to and mitigate climate change.

## What do we offer?

The Journey is an intensive summer school program that is hosted at 2-3 different European locations, with continuous coaching with students from all over the world! The Journey focuses on:

### Climate Change

Learn about this topic from some of the best climate experts in Europe. Engage with different start-ups from the field and participate in ideation sessions to come up with your own impactful business idea.

### Entrepreneurship

Spark your entrepreneurial spirit through guided workshops and specific business coaching. Work in multidisciplinary groups on your idea, create a viable business plan and get ready for the finals!

### Final Pitches

Pitch your business plan in front of an expert jury and receive hands-on feedback. Upon successful completion, you will get your Climate-KIC The Journey certificate.

We take you to 2-3 destinations of our partner network ranging from France, Germany, Hungary, Italy, the Netherlands, Norway and Poland to Spain, Sweden, Switzerland and the United Kingdom!

Apply now!

Deadline 1st of March 2016

## Who can apply?

We are searching for students and young professionals with a compelling motivation and a good command of the English language.

Applicants should at least be:

- Bachelor students (last year of undergraduate studies)
- Master students
- Ph.D. candidates
- Young professionals

There are no age limits or specific background requirements.

## Tackle real life challenges

Explore climate change at first hand in its scientific, environmental, political, social and economic contexts. Benefitting from our big European network, we offer many site visits to our partners who are tackling climate change.

## Spark your entrepreneurial spirit

Enjoy intensive coaching in multidisciplinary teams to really get started with your business idea related to climate change adaptation and mitigation.

- Option 1:  
3 July – 6 August 2016
- Option 2:  
24 July – 27 August 2016
- Option 3:  
17th July – 6 August 2016

## Become part of a network of excellence

Meet business and climate experts across Europe and become part of a fast growing network of people who care about our climate, joining like-minded peers at all career levels.

## Apply now! Deadline 1 March 2016

**For The Journey experiences from last year's participants and the online application form, please visit:**
